

BASEF 2006 Grades 7 & 8 YSF Forms Flowchart

(V1.6, Aug / 2005)

Depending on your project, you may need to complete one or more of the forms listed below.

Note: Some forms need to be completed before your experimentation begins! Read each form carefully!

Please read carefully, check and complete all that apply. If you do not include all required forms, your project cannot be accepted for registration. Complete rules and forms may be obtained from: basef.ca/2006/ .

LEGEND:

If your project involves any of these topics, also complete the forms below that topic:

<input type="checkbox"/> Project is a continuation of a previous year's work.	<input type="checkbox"/> Human subjects studied in this project; Low Risk (see YSF Policy 4.1.1 for Risk Assessment Guidance).	<input type="checkbox"/> Human subjects studied in this project; High Risk (see YSF Policy 4.1.1 for Risk Assessment Guidance).	<input type="checkbox"/> Non human vertebrate or invertebrate animal subjects studied in this project.	<input type="checkbox"/> Research conducted or equipment used at an institutional or industrial setting.	<input type="checkbox"/> Firearms, Explosives or other Hazardous Materials or Equipment used.
-------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------

Continuation Projects Form (YSF7)	Science Project Human / Animal Research Approval Form (YSF 4.1C)	Science Project Human / Animal Research Approval Form (YSF 4.1C)	Science Project Human / Animal Research Approval Form (YSF 4.1C)	Contribution From a Recognized Institution (YSF1)	Designated Supervisor Form (YSF3)
	Approval of Low Risk Projects Involving Human Participation (YSF 4.1A)	Application for Review of Research with Human Participants (YSF 4.1B)

NOTES:

A. These forms are in addition to:

1. Your on-line project registration.
2. Your Parent and School Approval form
3. Your Safety and Rules Checklist.

B. Many common chemicals used at home are considered Hazardous (or poisonous, or dangerous, etc.). Look for warning labels; if found, then consider them Hazardous and include a Designated Supervisor form.
